the dining room

A welcoming yet refined space, where Scotland's finest ingredients meet thoughtful craftsmanship. The Dining Room at Mar Hall has been redesigned with elegance throughout.

On the menu, Scotland's larder takes pride of place. Locally sourced produce – Orkney Scallops, prime Perthshire beef, and ingredients from our own kitchen garden, is brought together with a contemporary touch to create a dining experience rooted in freshness and refinement.

SLÀINTE

Step into Slàinte and prepare to be captivated. A masterpiece of texture, colour, and light, the bar has been reimagined with a stunning display of intricate wallpaper, dramatic statement lighting, and deep jewel-toned fabrics that exude luxury.

Every detail has been considered, from the handcrafted marble and brass bar top to the exquisite seating that invites guests to linger. At the heart of The Bar is our signature cocktail book, an impressive curation of drinks that honour Mar Hall's storied past while celebrating its bold new future. Each cocktail tells a story, whether inspired by a historical moment, a character from the estate's history, or a nod to the present-day evolution of Mar Hall.

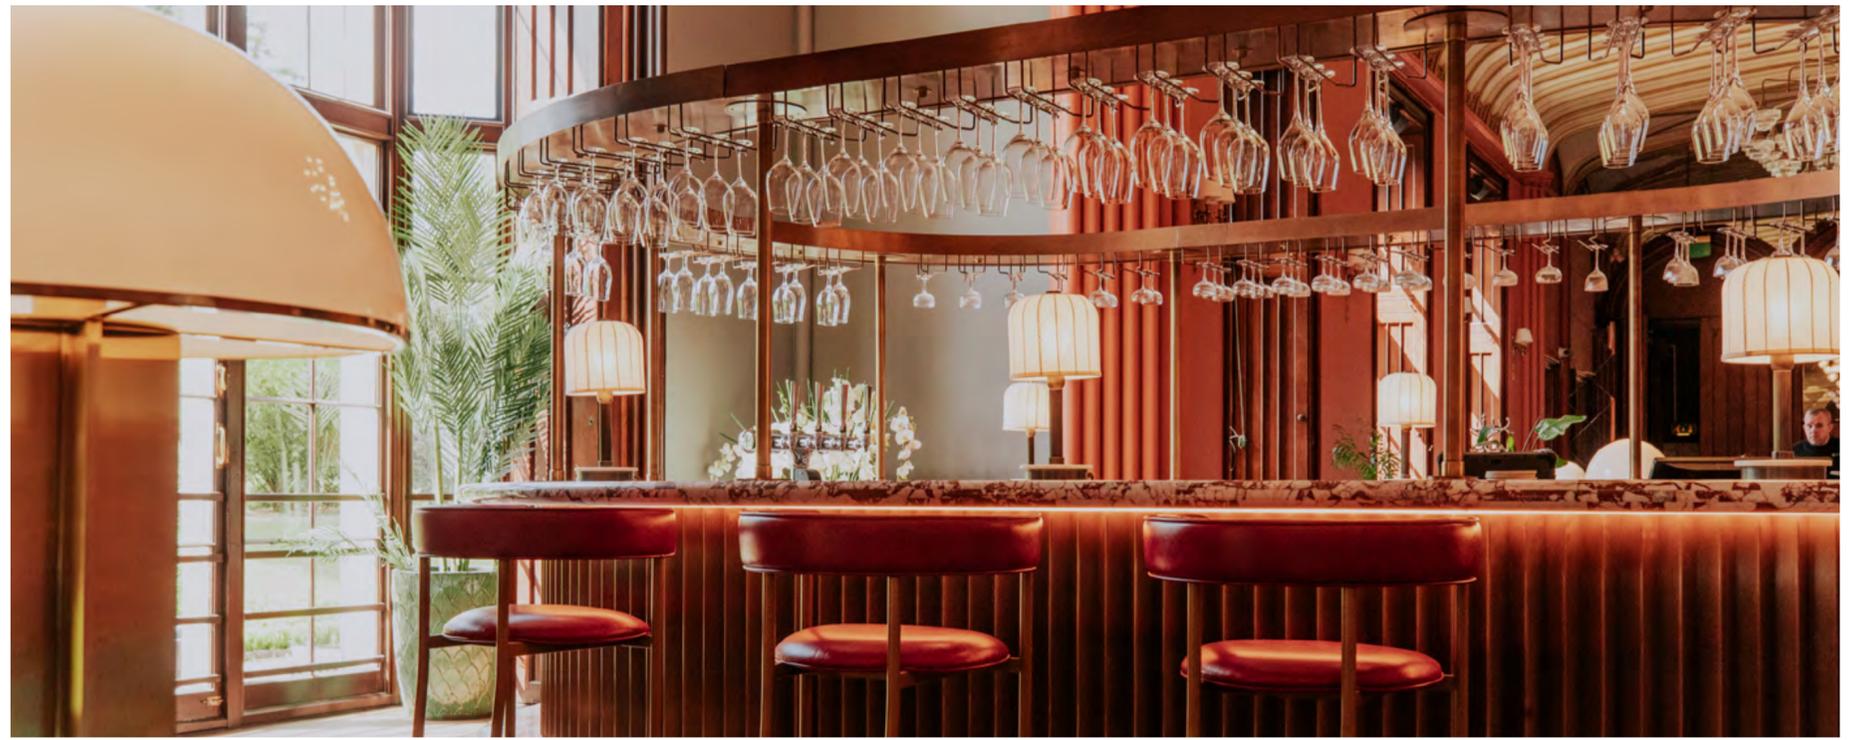

Our expert mixologist is on hand to craft your favourite tippie, ensuring every sip is perfectly tailored to your taste. Settle into the rich surroundings, raise a glass, and enjoy a bar experience that is as indulgent as it is unforgettable.

“Slahn-cha”

Step into Slàinte, where texture, colour and light combine in a reimagined bar of jewel-toned fabrics, statement lighting and intricate wallpaper.

A marble-and-brass bar anchors the space, complemented by exquisite seating. At its heart, the signature cocktail book celebrates Mar Hall’s past and future, with expert mixologists crafting drinks that make every sip an indulgent experience.

IL POSTO

Freshly made pizzas, local ingredients, and a relaxed, welcoming atmosphere in the heart of the estate.

Overlooking the golf course, Il Posto is a relaxed yet refined part of Mar Hall's dining experience, where hand-stretched wood-fired pizzas and fresh, seasonal ingredients take centre stage. With its warm atmosphere and open kitchen, Il Posto brings guests closer to the craft of Italian-inspired cooking.

Perfect after a round of golf, a casual catch-up, or a leisurely lunch with family, Il Posto is where good food and great company come together.

Private Dining

Elegant, intimate, and impeccably curated, private dining at Mar Hall transforms every occasion. A selection of beautifully designed spaces combines luxury with intimacy, ideal for celebrations, milestones, or discreet business gatherings.

Thoughtfully reimagined interiors and polished yet personal service create warmth and refinement, while tailored menus and fine wines ensure an extraordinary dining experience that feels entirely your own.
